Inclement Weather Policy

Below is the policy that will be followed at Finland Mennonite Church in response to inclement weather currently being experienced or forecasted.

1. Sunday Morning services
 - a. Any decisions made for Sunday morning services will occur on the Saturday immediately preceding by 6pm
 - b. The decision will be communicated in three ways: through the church phone tree, on our website, finlandmc.org and on the Finland facebook page
 - c. Three decisions will be considered:
 - i. Keep services as normal (no call will be made)
 - ii. Meet for Fellowship time and 11am service but cancel the 8:30am service and Sunday school
 - iii. Cancel all services
 - d. Decisions to cancel for Sundays will be made by a team led by the Lead Pastor and Head Trustee
2. Wednesday night activities
 - a. For Wednesday night activities, we will follow Upper Perk school districts decisions
 - i. If Upper Perk lets out early, cancels school or evening activities, activities and programs at Finland will also be canceled or rescheduled
 - ii. If unsure, contact your youth sponsor or committee/group leader
3. Activities on other nights
 - a. For meetings, practices or activities planned on other nights, call/text the leader to see if it is cancelled if inclement weather is present or forecasted
