Experiential

Sometimes activities help us to understand and process biblical truths. The one below is a suggestion for how to experience the truths of Psalm 148 and 150. Feel free to use this or any other experience you might come up with.

Worship in all of Life

Each day this week, pick a different medium to offer worship to God. Maybe one day it's by calling someone and sharing what difference Jesus made in your life today, maybe the next day it's on facebook, the next day it's a group text message to family/friends and another day it's by breaking out in a worship song in your yard or while taking a walk. Commit to worship God every day, each day in a different way and live out Psalm 150 which tells us to worship God everywhere.

SING (suggested songs to sing. Use these or any song you might want to sing)

[O Praise the Name](#)

This song of worship invites us to give all our worship and all of our praise to God who is worthy of our praise.

O Worship the King - #15 in Mennonite Hymnal

A hymn of worship based on Psalm 104. O worship the King all glorious above and gratefully sing His power and His love.

PRAY

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us in our lives.

Sending prayer based on the lesson:

Father, move powerfully in our lives this week so that no matter where we go or what we are doing, we are led to bring you worship, honor, and glory. In Jesus' name, amen.
