Experiential: Living God's will

Luke 4:18 is a great summary of how to live out God's will. Ask the Holy Spirit to show you who in your life needs healed, what oppression is He calling you to help overcome, what captives is He calling you to set free, or who in your life needs to hear the Good News. Ask every day and He will show you, tell you and direct you.

Testimony Time

Talk about your experience living out God's will. Maybe you have a story to share already. If not, wait until next time and share what God did in your life as you intentionally lived out His will according to Luke 4:18.

SING (suggested songs to sing. Use these or any song you might want to sing)

A Mighty Fortress is our God – Mennonite Hymnal #325

PRAY

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us in our lives.

Sending prayer based on the lesson:

Father, your ways are not our ways and your thoughts are not our thoughts. But we ask that in your mercy and grace and by the power of you Holy Spirit, align our ways to your ways and our thoughts to your thoughts. Give us courage this week to share your unexpected grace, love and mercy as we go. Amen.
