## **Experiential activity – “A Place to Belong”**

In Christ, the Creator of all things became one of His created. Why did he do this? To eliminate what separated us from Him and to make a way for us to belong again in His Kingdom. Now in Christ, we belong. We have a place. As it says in Revelation, people of all tongues, tribes and nations belong. This begs the question: who in your life needs a place to belong? What are you doing to reach out and bring them into belonging? Spend time praying for your eyes to be open to those who need a place to belong and for the courage to invite them in and experienced the belonging we all long for.
