**Questions to ponder/discuss:**

1. What does the Holy Spirit draw your attention to as you read this passage? What sticks out to you?
2. What general observations can you make? Anything repeated? Contrasted? Compared?
3. What can we learn about either God or the state of humanity through this passage?
4. Spend some time googling pictures of ships with their rudders. Or take a trip to a local marina to see a boat in person. After looking at the pictures or the boats in person read again James 3: 4-6

  - b. What are you to do about it?
5. Read Luke 6: 43-49
  - a. What in these verses is consistent with what James is saying in his letter?
  - b. In what ways are you guilty of calling Jesus, “Lord, Lord” and not doing what he says? What are you going to do about this?

### **Experiential activity – Fresh Water Springs**

James wants us to use our tongues for the glory of God and the good of others. He wants our tongues to be springs of fresh water. Of its many qualities, fresh water refreshes. As people who are “doers of God’s word,” we want our tongues to be springs of fresh water that refreshes others with our words. So do that. Each day this week, use your words to encourage and lift up someone where you live, someone where you work and someone where you play/hang out.

**SING** (Suggested songs to sing. Use these, or any favorites of the gathered group, to worship Jesus!)

### **PRAY**

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us in our lives.

### **Sending prayer based on the lesson:**

Go from this place and be doers of God’s word who accompany their faith with actions. Trust the Holy Spirit to enable you to reflect the likeness of Christ by using your words to bless, build up and encourage all people where you live, work and play.
