## **EXPERIENTIAL ACTIVITY – Out of Reverence to Christ**

“Submit to one another out of reverence to Christ.”

As believers, we are called to submit ... first and foremost to Jesus Christ as King, but also, as this verse points out, to one another. This submitting to one another is how we actually live out our reverence to our King. Paul then lists relationships where we might struggle to submit ... husbands and wives, children and parents, slaves/masters (for this you can think employee/employer, citizen/government).

In what relationship are you currently struggling to submit? After you identify the relationship, resolve to respond with Christ revering submission in the weeks ahead. Spend time in prayer asking the Holy Spirit to help you. Share your struggle with a trusted friend/mentor who can support you in this.

## **PRAY**

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us in our lives.

## **Sending prayer based on the message:**

May the Lord who gave us his Spirit to fill us and empower us now go with us. May he enable us to engage the relationships with others where we live, work and play out of reverence to Jesus, our King. May he show us what the Lord’s will is and empower us to live into His plan.
