### Experiential activity – Learning “so as to”

In Colossians 1:10 Paul summarizes the point of being filled with knowledge of God’s will in all spiritual wisdom and understanding. We do this “so as to walk in a manner worthy of the Lord,” “to bear fruit in every good work” and to “increase in the knowledge of God.” Of these three, where do you need to grow the most as an apprentice? Spend time in prayer and create an apprenticeship plan outlining what learning you need to accomplish, how you will do this learning, and what it will look like for you to apply your learning. Here’s an example for your reference.

My apprenticeship plan

What I need to learn	How will I learn it?	How will I apply it?
To bear fruit in my neighborhood	I will read “Surprise the World” and will meet with _____ two times for lunch to learn how he/she bears fruit in their neighborhood	Create BELLS rhythms in my neighborhood

**SING** (Suggested songs to sing. Use these, or any favorites of the gathered group, to worship Jesus!)

### PRAY

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us in our lives.

### Sending prayer based on the lesson:

As we go this week, Holy Spirit help us to learn so as to walk in manner worthy of You and to bear fruit in every good work where we live, work, study and play.
