EXPERIENTIAL ACTIVITY – Scuba Diving in Scripture

Pick a scripture from the reading and plunge deep into it like a scuba diver. A good suggestion if you need one is Proverbs 2: 6-8. How do we plunge deep into scripture? We dwell on it, we ask questions, and we listen for the Holy Spirit to speak to us. If you liked last week's method, keep using it. Here's another method if you like to try new things. Get a journal and write the verse one word at a time and think about that word from as many angles as possible. When done with a word, move on to the next word. If you need to, look the word up or talk to someone else about it.

For – googled and discovered this word is a preposition indicating purpose or reason, it's a word of intention

For the – specific, definite article, not ambiguous,

For the LORD – covenant name of God, I am that I am, a name of provision and relationship, eternal, infinite

For the LORD gives – verb, shows generosity, active choice ... wouldn't have to do this but chooses to

Keep doing this until you finish the verse completely. This is not about rushing. It's about slowing down. If it takes several days to complete, that's fine. The goal is to dive deep and spend time with the Father-Son-Spirit in His word.

PRAY

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us, for this week.

Sending prayer based on the message:

Lord Almighty, Father-Son-Holy Spirit, give me ears to hear and eyes to see as I go through this week to be ever mindful of your presence with me, to trust Your ways in all things, and to walk in Your wisdom and truth.
